## Bid Evaluation & Tendering Procedures

PIK780-0226 UK-LDN-1

**If you can't train them,  
you can't blame them!**

### Short Description:

**COURSE OVERVIEW** This training program provides in-depth instruction specifically designed for procurement professionals aiming to achieve proficiency in advanced procurement processes. Participants will gain valuable knowledge and skills necessary to navigate the complexities of the procurement landscape. The curriculum focuses on enhancing their ability to effectively select vendors, ensuring that the procurement process is both efficient and strategic. Furthermore, the program emphasises the importance of robust contract management practices. By equipping individuals with the necessary tools and insights, the training prepares them to manage contracts effectively, fostering successful partnerships with vendors. Ultimately, this comprehensive program aims to empower procurement professionals to excel in their roles and contribute significantly to their organisations' success.

### Course Overview:

#### COURSE OBJECTIVES

At the end of this program, participants will be able to:

- Acquire an in-depth understanding of advanced tendering procedures.
- Develop knowledge and skills needed for comprehensive bid evaluations.
- Enhance their ability to prepare competitive bids that align with client or organisational requirements.
- Explore effective strategies for optimising the tendering process.
- Maximise success rates in tendering through strategic approaches.
- Manage risks associated with the tendering process effectively.
- Evaluate and improve bid evaluation processes to ensure thoroughness and accuracy.

#### TARGET AUDIENCE

- Procurement professionals seeking advanced skills in tendering procedures.
- Professionals aiming to enhance bid evaluation techniques.
- Project managers overseeing procurement processes.
- Individuals responsible for vendor selection in projects.
- Contract administrators managing tendering activities.
- Procurement officers involved in the procurement process.
- Government officials and public sector employees engaged in contracting.

### Program Outline:

#### DAY 1: Grasping Tendering Procedures

1. Overview of the tendering process.
