HR Investigation and Discipline Procedures (Management Level)

PIK851-0826 UK-LDN-1

**If you can't train them,
you can't blame them!**

Short Description:

This intensive training program equips management-level professionals with the knowledge, skills, and practical tools required to handle HR investigations and disciplinary procedures with fairness, consistency, and legal compliance. Participants will explore the end-to-end process, from recognising potential misconduct and initiating investigations to implementing corrective actions and ensuring ethical and organisational alignment. Through interactive lectures, case studies, group exercises, and role-plays, managers will gain confidence in managing sensitive situations, minimising legal and reputational risks, and maintaining workplace trust. The program emphasises best practices and provides real-world applications to help participants handle employee misconduct cases professionally and effectively.

Course Overview:
