From Groups to High-Performance Teams - Practical Skills for Workplace Collaboration

PIK865-0426 UK-LDN-1

**If you can't train them,
you can't blame them!**

Short Description:

This three-day intensive training program equips participants with the knowledge, tools, and practical techniques needed to transform work groups into cohesive, high-performing teams. The course blends theory, real-world case studies, self-assessment tools, group exercises, and facilitated discussions to help participants understand team dynamics, manage diversity and conflict, build trust, and drive collective performance in today's complex organisational environments.

Course Overview:

Course Objectives

By the end of this program, participants will be able to:

- Understand the key differences between groups and teams in the workplace.
- Apply recognised models of team development to real organisational contexts.
- Diagnose team strengths, weaknesses, and performance barriers.
- Build trust, accountability, and psychological safety within teams.
- Manage conflict and leverage diversity for better team outcomes.
- Improve communication, collaboration, and decision-making in teams.
- Develop actionable plans to enhance team effectiveness at work.

Target Audience

This course is designed for:

- Team leaders, supervisors, and middle managers.
- HR professionals and organisational development practitioners.
- Project managers and cross-functional team members.
- High-potential employees preparing for leadership roles.
- Professionals working in matrix, hybrid, or remote teams.
